

# It's Happenin' ALL OVER Tennessee!

What's happenin'? Frequent opportunities to meet with your peers just a short drive away from home – fun, fellowship, food, education – and unparalleled networking opportunities!

The District Presidents meet in Nashville in January for a day-long session to discuss ways everyone involved can best meet the needs of Tennessee pharmacists. What does it take to take advantage of all this? Not much! Contact the president of your area organization and find out how *much* you can get for *how little*!
