NCPA Annual Conference on National Legislation & Government Affairs May 19-21, 2008 • Hyatt Capitol Hill Hotel • Washington, D.C.

**—Coordinate Your Congressional Visits with TPA—
DEADLINE EXTENDED TO TUESDAY, APRIL 22**

**We still need to hear from YOU! Please contact TPA by
April 22, so we can coordinate our Congressional visits
to the best possible advantage for pharmacy!**

Who Should Attend?
Independent community pharmacists willing to advocate on behalf of their profession.

The National Community Pharmacists Association (NCPA) Legislative Conference is your opportunity to gain insight into—and directly influence—how the federal government will impact your business in years to come. You'll learn from political analysts, industry experts and fellow pharmacists about how to effectively engage in the political process to help build the "community pharmacy majority" necessary for legislative success.

Congress needs to understand the crucial role you play in helping to contain healthcare costs while ensuring quality care. Your U.S. Senators and Representatives need to hear from you firsthand about what's happening to your patients and your pharmacy. Key members of the U.S. Senate and House of Representatives, as well as government officials and political insiders, will be on hand to share their views on targeted community pharmacy issues with NCPA Legislative Conference participants.

This is your opportunity to be an insider—to discuss community pharmacy issues on Capitol Hill with the people who can make things happen. For details, conference registration and hotel reservations, visit www.ncpanet.org/pdf/conferences/2008legconf-brochure.pdf to download the brochure, or call NCPA at 800-544-7447. The deadline to reserve your room at the Hyatt Capitol Hill Hotel is Tuesday, April 22.

Experience has proven that our effectiveness is optimized when the Tennessee Pharmacists Association is able to coordinate pharmacists' appointments with legislators. **If you are planning to attend, PLEASE NOTIFY TPA BY APRIL 22, so that we may schedule your appointments with your Senators and Representative.** Please complete the form below and fax it to TPA at 615-255-3528 or 800-214-2256. If you prefer, you may call 615-256-3023 or email kelly@tnpharm.org. TPA will then contact you to discuss scheduling. **Thank you!**
