

THE 1884 CLUB...

WHAT IS IT? HOW CAN YOU BE PART OF IT?

Since 1884, TPA has advocated for patient care and has become a national leader in advancing both the practice and science of pharmacy. Fast forward 125 years to TPA's *quasiquicentennial*, and TPA is ready to celebrate this milestone in its history! This is a time to celebrate successes to date, and to commit to building a TPA that is even stronger and more influential.

1884 Club recognition is reserved for individuals who contribute \$125 in honor of the 125th Anniversary of TPA. Donors attaining 1884 Club status are recognized in TPA publications and the Tribute Program Book at the Anniversary Gala, February 22, 2009, in Nashville. Donations must be received by January 31st to be included in the printed program. All donations, small or large, are greatly appreciated and support the TPA Anniversary commemoration.

The TPA also invites organizations and businesses to sponsor the Anniversary Celebration & Gala. It is not often that an organization is invited to a birthday party celebrating 125 years of existence! For sponsorship levels and benefits that maximize brand awareness and contact with Gala attendees, contact TPA, 615-256-3023.
