

PHARMACEUTICAL CARE FOR PATIENTS WITH DIABETES

— A CERTIFICATE PROGRAM FOR PHARMACISTS —

TUESDAY, AUGUST 11, 2009 • NASHVILLE, TENNESSEE

Presented by the TENNESSEE PHARMACISTS RESEARCH AND EDUCATION FOUNDATION and the AMERICAN PHARMACISTS ASSOCIATION

The newly updated APhA Diabetes Certificate program is designed for pharmacists who are thinking about or already providing diabetes education and management service. The home study goes into more detail about developing meal plans, determining which therapeutic regimen is best for a particular patient and situation and the use of motivational interviewing to help patients with diabetes determine why they have not achieved optimal outcomes. A Certificate of Achievement will be awarded to participants who successfully complete all program components.

FACULTY:

Tommy Johnson, Pharm.D., CDE
 Presbyterian College, Clinton, South Carolina
 Christa George, Pharm.D., BCPS, CDE
 University of Tennessee College of Pharmacy

TO REGISTER, complete the form below and mail it with your payment to:

TPREF

**500 Church St., Ste. 650
 Nashville, TN 37219**

You may fax credit card payments to 615-255-3528

PRE-REGISTRATION IS REQUIRED!

This program is limited to the first 50 registered participants. If the required minimum number of registrants is not met twenty-one (21) days in advance of the program, the program may be cancelled. Please complete this registration form and return it to TPA no later than **July 31, 2009** (extended deadline), to ensure time for completion of self-study materials prior to the course date.

ACCOMMODATIONS: To reserve your room at Homewood Suites, contact the hotel directly at 615-742-5550. The TPA room rate is \$129 per night, guaranteed until July 31. Be sure to mention TPA when you call!

CE CREDIT

Successful completion of the live seminar component involves passing the final exam with a grade of 70% or higher and demonstrating competency in self-injection techniques, diabetic foot exams, and blood glucose testing. Successful completion of this component will result in 5 contact hours of continuing pharmacy education credit (0.5 CEU). —ACPE UAN: 202-999-09-003-L01-P.

Successful completion of the self-study component involves passing the self-study assessment with a grade of 70% or higher and will result in 18.0 contact hours of continuing education credits (1.8 CEU) —ACPE UPN: 202-999-08-097-H01-P.

The American Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. *Pharmaceutical Care for Patients with Diabetes* was developed by the American Pharmacists Association and the American Association of Diabetes Educators and is supported in part by an educational grant from Merck and Co., Inc.

SEMINAR AGENDA

The *Pharmaceutical Care for Patients with Diabetes* training program is conducted in three parts: a self-study learning component, web-based case studies and key concepts, and a live training seminar. The key improvement in the new live portion of the program is: less talk, more action—hands-on participation by the participants, including meal planning, blood pressure monitoring, blood glucose monitoring, use of pen and vial and syringe devices, foot screening and developing a patient care plan.

- 9:30 am Registration/Check-In
- 10:00 am Course Begins
 - Program Objectives/Self-Study Review
 - Case Presentation & Treatment Goals
 - Treatment of Type 2 Diabetes
 - Survival Skills
 - Diabetic Foot Exam
 - Developing the Medication Plan of Care
 - Advance Therapy Options
 - Closing Remarks
 - Final Exam
- 4:00 pm Course Ends

Cancellation Policy: You must notify the Association in writing by July 31, 2009, to be eligible for a refund. All self-study materials must be returned at the time of cancellation to be eligible for a refund. No refunds will be given for late cancellation or no-shows. There will be a \$50 handling charge for all cancellations requiring a refund.
