

Tennessee Pharmacists Association
Medication Therapy
Management (MTM)
Workshop

Sunday, February 21, 2010 • 12:30 – 5:00 p.m.
Doubletree Hotel, Downtown Nashville

This workshop will include an overview of expanding opportunities for pharmacists in the MTM service arena. Program components include a training module utilizing actual examples of MTM Medicare cases for currently used Medicare MTM provider platforms, and a best practices discussion by a panel of pharmacist providers who have successfully implemented MTM services into their practices. Whether you are just getting started or want to move your practice to the next level, you don't want to miss this workshop!

Educational Objectives (specific objectives will be available at the session):

- Define Medication Therapy Management (MTM)
- Describe Medicare Part D plan requirement changes for MTM for the 2010 plan year
- Provide the tools and training necessary to implement MTM services
- Identify resources available to assist in implementing MTM services

The University of Tennessee College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education to provide continuing education for pharmacists. A statement of credit will be mailed within four (4) weeks following the program to participants who successfully complete the activity. Successful completion includes attending the entire session, signing the attendance sheet, and completing the self-assessment instrument and program evaluation form for each session. ACPE # 064-000-105-L04 P (4 contact hours)
