

Continuing Education by Correspondence Course

PUBLISHED IN THE *Tennessee Pharmacist*

Continuing education credit is obtainable through the *Tennessee Pharmacist*, the Journal of the Tennessee Pharmacists Association. Each article provides 1.5 hour (0.15 CEUs) of quality continuing education credit, all of which is approved by ACPE. Lessons may be submitted on a monthly or quarterly basis but no less frequently. Enrollment payments are nonrefundable.

If you would like to receive one or more of the articles on the following page, place a check-mark next to your selection(s), then fax this form to 615.255.3528 or 800-214-2256, send your request to Tennessee Pharmacists Association, 500 Church Street, Suite 650, Nashville, TN 37219, or call 615.256.3023 to place a request by phone.
