

# TPA's 2010 MidYear Meeting and LEGISLATIVE CONFERENCE

—Defending the Profession, Advancing Pharmacy Practice and Patient Care—

February 22-23, 2010 ◊ Doubletree Hotel, Downtown Nashville

Get yourself ready to meet the challenges in today's pharmacy practice at the 2010 MidYear Meetings scheduled for February 21-23, 2010. This great meeting provides the opportunity to network with colleagues, visit with exhibitors to learn about new products and gain insight into today's practice issues.

• **TPA MIDYEAR MEETING & LEGISLATIVE CONFERENCE** • **Monday, February 22, and Tuesday, February 23** • **5 Contact Hours** •

In the past, practicing pharmacy was about the health and well-being of the patient, and the economics of pharmacy took care of itself. Those days are long gone. Today, pharmacy finds itself facing challenges in electronic prescribing, sales taxes, TennCare reimbursement, and new regulations at both the state and Federal levels. MidYear Meeting educational sessions will begin at 9:30 a.m. on Monday and conclude in time for visits to Capitol Hill.

Monday evening's Capitol Hill visits and the legislative reception (sponsored by Pharmacy Plus) that follows at 6:00 p. m. at the Sheraton will provide the opportunity for you to talk with your State legislators about issues that matter to you, your practice, and your patients. Don't miss this unique opportunity to represent your profession as an active participant in the legislative process and speak directly to State legislators regarding the critical issues facing pharmacy. With the development of strong relationships with legislators and a continued strong presence in Nashville, TPA can be poised to mobilize members and allies to fight for the profession and improve patient care. To do that, we need the help of all pharmacists working together in a concerted effort to convey our message to elected officials in Tennessee about how our profession and patients can be hurt or helped by their decisions.

On Tuesday, help strengthen TPA and the influence of Tennessee pharmacy in the General Assembly by attending the meetings of your practice Society, PharmPac, and the TPA House of Delegates.
