Re: Aggrenox®

The Bureau of TennCare would like to inform you that Aggrenox will become a non-preferred medication effective November 1, 2004 due to the fact the manufacturer is not complying with their supplemental rebate agreement. PDL preferred medications include dipyridamole, Persantine®, Ticlid®, and Plavix®. Prescribers should call the First Health Clinical Call Center at 1-(866)-434-5524 with any questions or visit our website at <http://tennessee.fhsc.com> to view the current PDL.
