### ANTITRUST CAUTIONARY STATEMENT

The Tennessee Pharmacists Association (TPA) is a voluntary association comprised of licensed pharmacists who practice in varied settings. Consequently, the members of the TPA are deemed to be in competition with each other for purposes of state and federal antitrust law. The TPA cannot and will not condone any activity which might be viewed as a violation of the antitrust laws.

It is the express purpose of this and other meetings of the TPA to promote the highest degree of professionalism in Tennessee pharmacy practice. Discussions involving anti-competitive activity are contrary to this purpose, and will not be tolerated.

Any person or group of persons involved in inappropriate discussion or other activity which may be viewed as a violation of antitrust law will not be allowed to participate in this meeting. The TPA has a zero tolerance policy on this issue, and the association thanks you in advance for your cooperation on this point.
Welcome to TPA Summer 16!
A Message from Don Branam, TPA President

"Welcome to Point Clear and the TPA Summer Meeting! On behalf of the TPA Board of Directors, we hope you enjoy the meeting and your stay here. The TPA staff, along with members of the TPA and TSHP Education committees, have done an excellent job putting together what I believe to be an outstanding and informative agenda. Please be sure to thank them for their efforts!

This year, in our ongoing efforts to streamline association events in response to feedback from members, we’ve shaken the meeting up a bit. Please review the enclosed agenda carefully, and make your plans accordingly. If you enjoy this slimmer meeting, please be sure to let me know. If not, let Micah know!

In addition to educational programming, the agenda lists the many activities TPA has planned for you, your family and your guests, including golf, fishing, parties, celebrations, sightseeing, volleyball, 5K run/walk, and more. More information about these activities can be found at www.tnpharm.org/tpa-summer-meeting. And don’t forget the Grand Fun Camp for kids, the Spa at the Grand, and all the other amenities that the hotel and Point Clear have to offer!

Finally, I want to thank each of you for the privilege of serving as your President. It’s been one of the most fulfilling years of my life, both personally and professionally. Also, it has been a great deal of fun! I wish that I could live it all again!"

Don Branam,
PharmD, BCPS
President

How to Claim CE

1. You will receive an email with your unique link to click on, which will bring you directly into your attendee site. Here you will be able to evaluate, take post-tests, claim your ACPE credits and submit those credits to CPE Monitor at: www.nabp.net/programs/cpe-monitor/cpe-monitor-service/cpe-monitor-log-in

2. You will need the required SESSION CODE (provided to you at the time of the session) to perform any required tasks in your Attendee Site, and you will be prompted to enter in that code upon clicking on the first required item – the evaluation.

3. You will fill out the required evaluation by clicking your mouse into the radio button (circle) of the answer of your choice.

4. You will now see two check marks in the EVALUATE column, and the max credits for the particular session have now been “auto-credited” to you in the ACPE column.

5. You must now click on the blue “CLICK HERE TO SEND CREDITS NOW” to submit your credit. (If you do not click on this box, your credits will remain unclaimed and you could possibly miss the deadline to be awarded them.)

6. You must verify that your NABP ePID information is correct. If you are unaware of your NABP ePID, you will need to click on the link provided, which will take you to the NABP website to obtain it.

7. IMPORTANT: Once your NABP information has been verified/entered, you MUST click on “TRANSMIT CREDIT TO CPE MONITOR NOW.” Otherwise, your credit will not be submitted/awarded to you. Transmission must occur within 60 days of the program.

8. Lastly, to view/download or print/email your certificate, please click on the MY CERTIFICATES tab.

TPCE Grievance Policy: Participants having a grievance with any element of a CPE offering may send a written petition to the Director stating the specific nature of the grievance and acceptable remedies. Should the Director’s decision or remedy be unsatisfactory to the grievant, he/she may appeal the grievance to the Board of Governors of the Tennessee Pharmacists Consortium for Education (TPCE). A final appeal may be submitted to the President of TPCE.

With questions please email, tpce@tnpharm.org.

The Tennessee Pharmacists Consortium for Education is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
SPEAKER BIOS

Lucy Adkins, PharmD, is the Director of Pharmacy Practice Initiatives at the Tennessee Pharmacists Association (TPA). Dr. Adkins earned her Doctor of Pharmacy degree from the Bill Gatton College of Pharmacy at East Tennessee State University. Dr. Adkins began her pharmacist career as TPA’s Executive Resident in Association Management and Health Policy. After her residency, she joined the staff at TPA in her current role. In her role, Dr. Adkins has built relationships with TPA members and partners, and provided support and resources to them while managing several grants and opportunities aimed at increasing patient access to pharmacist-provided care and elevating the standards of care within pharmacy practice in Tennessee. She is a current member of TPA, APhA, NCPA, and Phi Lambda Sigma. Dr. Adkins currently resides in Nashville, Tennessee.

Sara Brandon, PharmD Candidate, is originally from Tullahoma, Tennessee, until beginning her studies at East Tennessee State University. Upon graduation with a Bachelor of Science in Biological Sciences, Sara began pharmacy school at the ETSU Bill Gatton College of Pharmacy, where she is currently in her final year and expected to graduate in May 2017. While at the Gatton College of Pharmacy, Sara has been active in the research program and multiple organizations, including the Tennessee Society of Student Pharmacists. She served as APhA-ASP’s Vice President of Patient Care and President of the Gamma Rho chapter of Phi Lambda Sigma. Sara’s primary areas of interest are internal medicine and interprofessional practice. Her future plans include pursuing a PGY1 pharmacy residency.

Emily Brinser, PharmD, is a 2014 graduate of Belmont University in Nashville, Tennessee, and recently completed two years of post-graduate residency training, a PGY1 Pharmacy, and PGY2 Health-Systems Administration with Hospital Corporation of America (HCA), the TriStar division of HCA, and the University of Tennessee. Dr. Brinser has a background in both hospital and community pharmacy with her professional interests including quality improvement, regulatory compliance, leadership development, and pharmacy advocacy. Emily remains active in the community through Junior League, her sorority alumnae association, and Cross Point Church. In her free time, Emily enjoys spoiling her dog, Maci, traveling, discovering new restaurants, and cheering on the Alabama Crimson Tide!

Richard Brown, PharmD, FASHP, is a retired Professor at the UTHSC Colleges of Pharmacy and Medicine. Dr. Brown received a BS in Biology from Lincoln Memorial University in 1969, and both BS and Doctor of Pharmacy degrees from the University of Tennessee College of Pharmacy in 1974 and 1975. He completed a post-graduate residency in adult medicine in 1976 at the City of Memphis Hospital. He retained Board Certification as a Pharmacotherapy Specialist (BCPS) from 1993 to 2007. Dr. Brown has dedicated over 40 years to patient care services and began his career in the military during the Vietnam era on active duty as a US Army Medic Instructor at the Military’s Medical Training Center at Fort Sam Houston in San Antonio, Texas, in 1970-71. Dr. Brown served veteran patients as the first Clinical Pharmacy Specialist in Internal Medicine and Director of Drug Information Services at the Veterans Administration (VA) Medical Center in Memphis, Tennessee, for over 30 years and also served as a Professor in the University of Tennessee Colleges of Medicine and Pharmacy. He and his wife, Marsha, who is also a pharmacist, live in Germantown, Tennessee, and have two sons, Kaleb and Aaron, both of whom are UT College of Pharmacy graduates and are practicing hospital pharmacists in the Memphis area. He is a member of Bellevue Baptist Church, where he worships and serves in Bellevue’s Visitors Services Ministry.

Ryan Burke, PharmD, is Associate Director of Practice Initiatives, at the American Pharmacists Association (APhA) in Washington, DC. In this role, Dr. Burke serves as one of APhA’s leads on the profession-wide provider status initiative and manages projects and programs aimed at advancing pharmacy practice. Prior to his current role, he managed APhA’s House of Delegates and policy development process, and served as the staff liaison to the APhA Board of Trustees. Dr. Burke completed his undergraduate studies and earned his Doctor of Pharmacy degree from the University of Louisiana at Monroe School of Pharmacy and completed a post-graduate residency program in Association Management and Leadership with the APhA Foundation.
Jennifer Byrd, PharmD, BCACP, received her doctor of pharmacy degree from the University of Tennessee Health Science Center in Memphis, TN in 2010. After graduation, she completed an ASHP-accredited pharmacy practice residency with an emphasis in ambulatory care from the University of Mississippi Medical Center in Jackson, MS. As Assistant Professor of Pharmacy Practice, Dr. Byrd teaches in Non-prescription Drugs and Counseling, Medical Terminology, Pharmacotherapy, Applied Therapeutics, and Patient Assessment. Her practice sites include the Jackson Clinic North Family Practice and Skyline Cardiovascular Institute, providing chronic disease education and drug therapy management for diseases such as diabetes, hypertension, and hyperlipidemia. His varied clinical experiences include direct patient care in disease management clinics in the Indian Health Service and the Department of Veterans Affairs, where he was the coordinator of cardiovascular risk reduction services. In addition, Dr. Cross was the director of pharmacotherapy services at the University of Tennessee St. Francis Family Practice Center, managing a referral-based medication assessment and management clinic for multiple chronic disease states. His major research interests include cardiovascular risk assessment and reduction, diabetes, hyperlipidemia, hypertension, anticoagulation, and medical educational development and assessment.

Reginald Dilliard, DPh, was named Executive Director of the Tennessee Board of Pharmacy in September 2013 after working as a community practice pharmacist for close to 40 years. He has served as president of TPA and has served on other boards, including three years on the National Association of Boards of Pharmacy® (NABP®) Executive Committee (representing District 3), and 12 years on the City of Bartlett Board of Aldermen. Awards include the National Community Pharmacists Association Pharmacy Leadership Award, Merck Award for Outstanding Achievement in the Profession of Pharmacy, Award of Merit from the TPA, and the Outstanding Leadership Award from the University of Tennessee. He is married to Dr. Jennifer Dilliard, who is also a pharmacist, and is the proud father of four children, one of whom is currently enrolled at UTHSC College of Pharmacy.

Matthew DiLoreto is the Senior Director of State Government Affairs at the National Community Pharmacists Association (NCPA), which represents the interests of approximately 22,000 community pharmacies, pharmacy franchises, and small chains. In his role at NCPA, Mr. DiLoreto coordinates with state and federal partners to advance community pharmacy initiatives at the state and federal levels. Mr. DiLoreto has promoted the interests of
Heidi Ann Ecker is the Director of Government Affairs and Grassroots Programs at the National Association of Chain Drug Stores. Heidi joined the NACDS team in 2008 and brings with her over 20 years of experience in federal lobbying and government relations experience in the national health care arena. In addition to complementing NACDS federal government relations activities, Heidi directs and orchestrates strategic grassroots programming, conducts field-based advocacy and grassroots trainings, and engages advocates to support NACDS policy priorities. Besides having worked for U.S. Senator Ted Kennedy (D-MA), Heidi has extensive government relations and policy experience in healthcare-concentrated industries representing patients, physicians, nurses, psychologists and community pharmacists. Her four-year effort advocating on behalf of physicians as Director of Federal Advocacy at the American Osteopathic Association led her team to an invitation-only strategic coalition of five with the White House during the nation’s largest Patients’ Bill of Rights debate. During her time there, she successfully increased grassroots participation in Hill Day Programs from 20 to 1,500 participants, and her concluding Hill Day program ushered in same-day House-passage of federal medical malpractice reform legislation. At the American Nurses Association, Heidi led her team for two years to advance a pro-nurse agenda through lobbying, grassroots and political activities. In this role, Heidi directed the group’s Presidential Endorsement Process and personally interviewed 7 of 11 candidates vying for the U.S. Presidency to evaluate their support for nursing policy issues. Upon endorsement of Kerry-Edwards, she spearheaded political grassroots support and National Political Convention events. Prior to joining NACDS, Heidi served as Vice President of Legislative and Political Affairs at a firm whose client list includes Blue Cross Blue Shield, AARP, Verizon, Anheuser-Busch, and AOL/Time Warner. Heidi also spent two years advocating on behalf of community pharmacy in her role at the National Community Pharmacists Association and two years as Director of Government Relations at the American Psychological Society. As a respected grassroots advocate in the Washington, DC community, Heidi has spoken at hundreds of events to train grassroots advocates across the nation, as well as the world, when she addressed over 80 countries at the International Congress on Physical Activity while serving as the Executive Director of the National Coalition for Promoting Physical Activity.

Walter L. Fitzgerald, Jr., B.Pharm, MS, JD, has over three decades of educating pharmacy students and practitioners, as well as other allied health profession students in the State of Tennessee. With extensive experience in healthcare issues that focus on social and administrative sciences, law and ethics, Tennessee State medication review and evaluation process, professional development and post graduate education, Dr. Fitzgerald has offered practitioners the guidance and tools needed for successful practice and optimal patient care. He has held an academic appointment at four colleges of pharmacy and served in a variety of administrative and consultant roles to the pharmaceutical industry and healthcare organizations. Dr. Fitzgerald’s research is in the area of healthcare law and ethics, as well as faculty development. Dr. Fitzgerald is a nationally recognized expert who is often invited for speaking engagements and presentations at scientific sessions of professional associations and continuous professional education seminars. Take Action Now, with the Tennessee Pharmacists Legislative Action Network (T-PLAN): Email your legislator(s) and ask them to support TPA’s active initiatives. TPA’s new automated system makes it easier than ever. T-PLAN automates the process of identifying your legislator(s) and emailing them to ask for their support. Use messages included by TPA, or modify them to suit your practice. Advocating for pharmacy has never been easier. Scan the QR Code to take action!
PharmPAC supports legislators who understand pharmacists. By contributing to PharmPAC, you ensure that the voice of the pharmacist is loud and clear on The Hill in Nashville. Contribute to PharmPAC today!"

- Lacey Sexton, PharmD, Chair, PharmPAC

Tennessee PharmPAC has a primary purpose of providing financial assistance to those candidates for public office who are supportive of the profession of pharmacy and recognize the value of quality pharmacist-provided care and services. PharmPAC enables collective support using the power of advocacy through a unified voice, providing the means for more substantial contributions than can be made by individuals, and most importantly, recognition of Tennessee pharmacists as strong patient advocates to our legislators.
Prepare Yourself for Your “Tomorrow” at the Emerging Leaders Program

All student pharmacists, new practitioner pharmacists, and pharmacists seeking more opportunities for leadership and engagement are invited to join fellow professional colleagues and peers for this one-day seminar (now offered in three geographic areas of the state on three different dates). Uniquely designed and custom-tailored to your needs as a pharmacy professional, every element of the creation of ELP focuses on YOU and your development as an effective leader of your team, practice, profession, and association.

How Deep Is Your Bench? Invest in Developing “Tomorrow’s” Leaders Today

Great leaders are invaluable to your organization. Do you know a pharmacist who would benefit from gaining insight into their own leadership style, acquiring the knowledge necessary to lead with confidence and inspiration, building strong and lasting professional relationships, communicating effectively and professionally, and managing people in difficult professional situations? If so, please consider making a tax-deductible donation to sponsor their participation in the Emerging Leaders Program!

Registration is now open for all dates and locations: Memphis (July 30) | Nashville (August 13) | Knoxville (August 27)

TENNESSEE PHARMACISTS
Geriatric & Long-Term Care Conference

Save the Dates! August 23-24, 2016
Franklin, Tennessee

TPA’s annual Geriatric and Long-Term Care Conference provides pharmacists with up-to-date information and resources regarding care and therapy for these special populations. This is your opportunity to expand your knowledge, upgrade your skills, connect with colleagues, and earn continuing education credit.

The Conference will be at the Franklin Marriott Cool Springs at 700 Cool Springs Boulevard in Franklin, Tennessee. A block of sleeping rooms has been reserved at the TPA rate of $150, but you must make reservations by August 2, 2016, to receive this discount rate. Reservations can be made by calling 615-261-6100 or 800-228-9290.

Visit the Exhibitors and You May Win $200

Make time to visit TPA’s exhibit hall and sign the sheet located at each exhibitor’s booth.

Pick your favorite number and print your name on that line on the form. On Wednesday evening at our closing party, we will draw to reveal which booth is TPA’s Mystery Booth. We will then draw for the winning number – where we hope you will find your name printed!

Cash and other great prizes will be given out! All pharmacists and students registered for the meeting are eligible.
