Complete the CAQH Process
Provide all information in the CAQH Provider credentialing program.
provview.caqh.org

Pharmacists Enrolling in the MTM in Medicaid Pilot Program Should Complete these Additional Steps:

Collaborate with PCMHs and HealthLink Orgs
Establish collaborative pharmacy practice agreements with prescribers for eligible MTM patients in TennCare PCMHs and HealthLink Organizations.

Authorize the Coordination Care Tool
Complete the paperwork required to authorize use of the TennCare Care Coordination Tool (CCT).
bit.ly/2AJSO4X

Enroll in MTM Provider Networks
Pharmacists must enroll in each of the TennCare MCO Medical Provider Networks (BCBST, United, and Amerigroup) to receive payment.

ALL member pharmacists in ALL practice settings are eligible to apply for participation in this pilot program. TPA members successfully worked with pharmacy advocates, legislators, and pharmacy supporters to enact Public Chapter 363 in 2017. Beginning January 1, 2018, this important pharmacy-forward legislation will invest $10 million into this novel pharmacist-provided Medication Therapy Management (MTM) in Medicaid Pilot Program over the next two years. Interested pharmacists should send an email expressing interest to MTMpilot@tnpharm.org.

Visit tnpharm.org/mtm-medicaid for more information.
