TN Together:
Community Solutions to End the Opioid Epidemic

Three Grand Regional Summits

In partnership with the Tennessee Department of Health and Tennessee Department of Mental Health and Substance Abuse Services

The following announcement is being sent at the request of the Tennessee Department of Health.

Three grand regional summits known as TN Together: Community Solutions to End the Opioid Epidemic will be a gathering of diverse community stakeholders to share ideas, review local data, and identify promising strategies to address Tennessee's opioid epidemic. Community anti-drug coalitions and individuals working at the ground level will share their expertise and knowledge as we come together as catalysts for change.
