PREPARE FOR YOUR “TOMORROW”
Meet and Achieve Your Leadership Goals

By participating in this one-day interactive session, you will gain valuable insight into your own leadership style, and acquire the knowledge necessary to lead with confidence and inspiration, build strong and lasting professional relationships, communicate effectively and professionally, and manage people in difficult professional situations. Additionally, you will hear first-hand about the risks of addiction from individuals in recovery, discover ways to get involved in your professional association as a leader, and learn about navigating various financial challenges associated with being a pharmacist.

Agenda topics include:

• Using Your Strengths to Build Lasting Professional Relationships
• Management Lessons and Professional Skills for Effective Leaders
  • Communicating with Professionalism and Diplomacy
  • Conflict Resolutions: How to Manage Difficult Situations
• The Addiction and Recovery Journey: Healthy Coping in Stressful Situations
• Setting Yourself Up for Success as a Leader in Your Professional Organization
• Learning to Engage and Educate About Student Loans

HOW DEEP IS YOUR BENCH?
Invest in Developing “Tomorrow’s” Leaders Today

Great leaders are invaluable to your organization. Do you know one or more pharmacists, student pharmacists, or pharmacy technicians who would benefit from gaining insight into their own leadership style, acquiring the knowledge necessary to lead with confidence and inspiration, building strong and lasting professional relationships, communicating effectively and professionally, and managing people in difficult professional situations? If so, please consider making a tax-deductible donation to sponsor their participation in the Emerging Leaders Program!
