Tennessee pharmacy professionals improve the quality of care for all patients by establishing productive relationships with key individuals, organizations, and healthcare partners to advocate laws, regulations, programs, and policies.

Tennessee pharmacists are actively engaged in advancing the practice of pharmacy through participation in their state pharmacy association.

Tennessee pharmacists advance patient care through initiatives that establish pharmacists as essential providers in the evolving healthcare landscape.

The Tennessee Pharmacists Association supports the maintenance and enhancement of the competence and viability of pharmacy professionals in Tennessee.

The Tennessee Pharmacists Association is a financially sound organization working at maximum efficiency to attain association goals.

**TPA MISSION STATEMENT**

The Tennessee Pharmacists Association advances, protects, and promotes high-quality pharmacist-provided patient care in Tennessee.

**TPA ORGANIZATIONAL GOALS**

**Pharmacy Advocacy**

Tennessee pharmacy professionals improve the quality of care for all patients by establishing productive relationships with key individuals, organizations, and healthcare partners to advocate laws, regulations, programs, and policies.

**Individual Connection**

Tennessee pharmacists are actively engaged in advancing the practice of pharmacy through participation in their state pharmacy association.

**Practice Innovation**

Tennessee pharmacists advance patient care through initiatives that establish pharmacists as essential providers in the evolving healthcare landscape.

**Professional Development**

The Tennessee Pharmacists Association supports the maintenance and enhancement of the competence and viability of pharmacy professionals in Tennessee.

**Organizational Effectiveness**

The Tennessee Pharmacists Association is a financially sound organization working at maximum efficiency to attain association goals.
The Tennessee Pharmacists Association (TPA) is a voluntary association comprised of licensed pharmacists who practice in varied settings. Consequently, the members of the TPA are deemed to be in competition with each other for purposes of state and federal antitrust law. The TPA cannot and will not condone any activity which might be viewed as a violation of the antitrust laws.

It is the express purpose of this and other meetings of the TPA to promote the highest degree of professionalism in Tennessee pharmacy practice. Discussions involving anti-competitive activity are contrary to this purpose, and will not be tolerated.

Any person or group of persons involved in inappropriate discussion or other activity which may be viewed as a violation of antitrust law will not be allowed to participate in this meeting. The TPA has a zero tolerance policy on this issue, and the association thanks you in advance for your cooperation on this point.
Welcome to TPA Summer 17!
A Message from Leslie Shepard, TPA President

Welcome to Kingsport and the TPA Summer Meeting! On behalf of the TPA Board of Directors, we hope you enjoy the meeting and your stay here. The TPA staff, along with members of the TPA and TSHP Education committees, have done an excellent job putting together what I believe to be an outstanding and informative agenda. Please be sure to thank them for their efforts!

This year, in our ongoing efforts to streamline association events in response to feedback from members, we’ve shaken the meeting up a bit. This is our first ever weekend meeting! Please review the enclosed agenda carefully, and make your plans accordingly. If you enjoy this shortened weekend meeting, please be sure to let me know. If not, let Micah know!

While the TPA Winter Meeting is the time for advocacy and policy, the Summer Meeting is a time to share ideas and innovations that help you advance your practice. I always return home energized and recommitted to providing the best care to my patients.

This year’s meeting has me just as energized. On Saturday, you have numerous opportunities to attend sessions focused on the future of pharmacist-provided patient care and hear from some of the top presenters and speakers in pharmacy today. Additionally, there are many activities TPA has planned for you, your family and your guests, including golf, parties, celebrations, sightseeing, a 5K run/walk, and more. Information about these activities, programing, and more can be found in this booklet. All of this information is also available by downloading the TPA Mobile App from your Apple or Google app store and finding the section on the TPA Summer Meeting.

Finally, I want to thank each of you for the privilege of serving as your President. It’s been one of the most fulfilling and rewarding years of my life, both personally and professionally. Also, it has been a great deal of fun! I wish that I could live it all again! I’m looking forward to spending this weekend with you all—and don’t forget to say “hi!”

Leslie Shepard, PharmD
2016-2017 TPA President
General Information

Registration: All persons attending CE sessions must be registered. Please wear your name tag for admittance to sessions and events.

Ticketed Events: For guest tickets to ticketed events, please check at the registration desk for availability.

Get Social! We want to hear from you! Post, tweet, and share using #tpasummer17 for all the programs! Follow TPA on:

2:00p – 3:00p
Scott
Nolichucky Board Room
Warriors Path Amphitheatre
Crockett Amphitheatre
Appalachian Board Room
Cumberland Amphitheatre
Blue Ridge Board Room
Sullivan

3:00p – 4:30p
TPA House of Delegates
MeadowView Ballroom
All TPA Delegates and TPA members are encouraged to attend.

4:30p – 4:45p
TPA Business Meeting
MeadowView Ballroom
All TPA members are encouraged to attend.

4:45p – 5:15p
PharmPAC Meeting and Reception
Crockett Amphitheatre
Sponsored by APCI
As a pharmacy professional, political advocacy is extremely important to your practice and your future. Join us as we discuss current initiatives and upcoming opportunities, and please consider making a contribution to this important effort.

5:30p – 7:00p
Awards Celebration
Cattails Ballroom
TPA and TSHP take great pride in honoring the incredible individuals and organizations who have made significant contributions to the profession of pharmacy. Join friends, family, and colleagues as we gather to celebrate those whose achievements have enriched and advanced patient care through exemplary pharmacy practice. The Awards Celebration is a wonderful opportunity to reconnect with the profession and reflect not only on the accomplishments of others, but on our own achievements. Hors d’oeuvres and beverages (cash bar) will be available in the Cattails Ballroom Foyer.

7:00p – 8:00p
Opening Reception with Exhibitors
Grand Ballroom / MeadowView Foyer
Sponsored by Morris & Dickson Co., LLC & Southern Pharmacy Cooperative
Start your TPA Summer Meeting experience off right by getting acquainted with our exhibitors! Join us at our Opening Reception to catch up with old friends, meet new ones, and build valuable relationships. Beverages and heavy hors d’oeuvres will be provided.

10:00p – 11:30p
Students & New Practitioners Event
MeadowView Field Stone Cellars
Sponsored by CVS Health
Come and hang out with all our student pharmacists and new practitioners! Get to know fellow colleagues from across the state and grow your professional circle as you build a successful start to a satisfying career. Snacks and beverages will be provided. While there is no charge for this event, pre-registration is required. Stop by the registration desk today to let us know you’ll be there!
Saturday
JULY 8, 2017

6:45a – 7:55a
School/College of Pharmacy Breakfasts:
Belmont University College of Pharmacy
Big Orange Breakfast
Lipscomb University College of Pharmacy and Health Sciences
Samford University McWhorter School of Pharmacy

7:00a – 5:00p
Registration Open

8:00a – 9:00a
Leading Your Team to Success
1.0 Contact Hour, UAN: 0575-0000-17-070-L04-P/T
Steve Forbes, Head Coach of Men’s Basketball, East Tennessee State University

9:05a – 10:05a
Getting Started with Collaborative Practice Agreements
1.0 Contact Hour, UAN 0575-0000-17-071-L04-P/T
Krystalyn Weaver, PharmD, Vice President, Policy and Operations, National Alliance of State Pharmacy Associations

10:10a – 11:10a
Updates on USP standards: <797> and <800>

Continuing Education Information

The Tennessee Pharmacists Consortium for Education (TPCE) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

An electronic statement of credit will be available for the Summer Meeting continuing education activities that you successfully complete. Successful completion includes attending the entire session, signing the attendance sheet for the activity, receiving the CE code at the conclusion of the session, and completing the online evaluation for the program.

All credits must be claimed on the TPCE Continuing Education website at tpce.learningexpressce.com. To begin, you will need to click “Login” or “Create an Account” at the upper-right corner of the screen. Next, under “Pending/Private Programs,” enter the code “OneTPA” and click “Register” in order to gain access to all available handouts and evaluations. After each session that you attend, select the green “Complete Evaluation” button for that session, enter the code you received at the end of the session, then complete the seminar evaluation. These credits will be transmitted to the CPE Monitor automatically. A full transcript of your CE activities can be obtained at www.nabp.net.

In accordance with the policy of ACPE, all faculty are required to disclose real or apparent conflicts of interest relating to the topics of the educational activity, including any corporate sponsorship of the speaker. All disclosures and learning objectives can be found in your packet.

These activities are intended for pharmacists, pharmacy technicians, and student pharmacists in a variety of settings.

The fees for these activities were included in the cost of registration for the Summer Meeting.

Grievance Policy: Participants having a grievance with any element of a CPE offering may send a written petition to the Administrator stating the specific nature of the grievance and acceptable remedies. Should the Administrator’s decision or remedy be unsatisfactory to the grievant, he/she may appeal the grievance to the Board of Governors of the TPCE. A final appeal may be submitted to the President of TPCE.

Please contact Lucy Adkins (tpce@tnpharm.org), CPE Administrator, with any questions.

Please note that you must complete all CE requirements and transmit your credit within 60 days of the program.
ALEXANDER, Katelyn – Dr. Alexander is an Assistant Professor in the Department of Pharmacy Practice at East Tennessee State University Bill Gatton College of Pharmacy. She is a graduate of the Ohio State University and joined the faculty in August 2012 after completing a community pharmacy practice residency at the University of Kentucky College of Pharmacy, with a focus on independent pharmacy practice and ownership. Dr. Alexander currently coordinates and teaches in various courses throughout the curriculum, including the Nonprescription Pharmacotherapy, Natural Medicines, and Self-Care courses; the IDEALS lab series; and the Medication Therapy Management elective. She is also heavily involved with the Introductory Pharmacy Practice Experience (IPPE) program, where she coordinates all community-based simulation exercises and oversees service hours required of all students. Dr. Alexander precepts students and provides patient education and community health outreach at various venues throughout the Tri-Cities area. Within the college, Dr. Alexander serves on the Experiential Education Committee and chairs the Personal and Professional Development Committee, among others. She also serves as an advisor for the nationally-recognized APhA-ASP chapter at ETSU. Her areas of interest include geriatrics, nonprescription drug therapy, teaching and precepting best practices, and strategies to expand clinical services offered in the community pharmacy sector.

BARRETT, Monica – Barrett is a fourth-year student pharmacist from Murfreesboro, TN who attends the Union University College of Pharmacy. She is involved in a number of pharmacy organizations and has had leadership positions within those organizations. Barrett served as SSHP vice-president and is the current vice-president of Rho Chi. She was also honored as an AACP Walmart Scholar this year and was initiated as a member of Phi Lambda Sigma last spring. After graduation, she plans to pursue a PGY-1 pharmacy residency.

BOUCHER, Bradley – Dr. Boucher is currently a professor of clinical pharmacy and an associate dean for strategic initiatives and operations at the University of Tennessee College of Pharmacy in Memphis, TN. He practices in the area of critical care at Regional One Health and is board certified in pharmacotherapy. Dr. Boucher has published more than 90 peer-reviewed articles and 18 book chapters during his career. Dr. Boucher received his B.S. and PharmD degrees from the University of Minnesota, in 1979 and 1983, respectively. In 1984, he completed an ASHP critical care fellowship at the University of Kentucky in Lexington, KY. Dr. Boucher became board certified in pharmacotherapy in 1992. He was elected as a Fellow of ACCP in 1998 and Master of Critical Care Medicine of the American College of Critical Care Medicine in 2015. In 2004, Dr. Boucher distinguished himself by being elected as a pharmacy member of the National Academy of Practitioners. In addition, he received the 2011 ACCP Clinical Practice Award. Relative to professional service, Dr. Boucher served as the president of ACCP in 2002 and received the ACCP Service Award in 2004. He was elected as the National Rho Chi president-elect in 2014.

BYRD, Jennifer – Dr. Byrd is an Assistant Professor of the Union University College of Pharmacy. Dr. Byrd graduated from the University of Tennessee Health Science Center College of Pharmacy. She completed her PGY-1 Residency in Pharmacy Practice with an emphasis in Ambulatory Care at the University of Mississippi Medical Center. Dr. Byrd maintains a clinical pharmacy practice at The Jackson Clinic in Jackson, TN. She works collaboratively within a multi-disciplinary team model, which includes primary care physicians, specialty physicians, nurse practitioners, physician assistants, and a dietitian. Her current practice includes chronic disease state management, comprehensive medication management and transitions of care. She is the current 2016-2017 chair of the Tennessee Society of Pharmacists.

CLAUSON, Angela – Dr. Clauson joined the Belmont University College of Pharmacy faculty during the summer of 2014. She graduated from the University of Tennessee-Memphis College of Pharmacy and completed a PGY-1 residency with an emphasis in ambulatory care and psychiatric pharmacy at Shawnee Mission Medical Center in Shawnee Mission, KS. After completing her residency, Dr. Clauson became clinical coordinator at Palm Beach Gardens Medical Center in Palm Beach Gardens, FL. She has also worked for Walmart, CVS, and Walgreens pharmacy. After gaining experience in the clinical setting, she entered academia at Palm Beach Atlantic University College of Pharmacy in West Palm Beach, FL, where she developed an Ambulatory Care Practice site at the West Palm Beach Community Health Center. She later became the Director of Experiential Education at Palm Beach Atlantic. As Director of Experiential Education, Dr. Clauson is responsible for coordinating the different Introductory and Advanced Pharmacy Practice Experiences that the students participate in throughout the curriculum.
COST, Micah – Dr. Cost works for members of the Tennessee Pharmacists Association (TPA) as the Executive Director. His educational training includes a bachelor’s degree from Lipscomb University, a Doctor of Pharmacy degree from the University of Tennessee Health Science Center College of Pharmacy, and a post-graduate Master’s degree in Pharmaceutical Outcomes and Health Policy from the University of Florida College of Pharmacy. Dr. Cost has been with TPA since 2008, serving as the Executive Resident and the Director of Professional Affairs prior to accepting his current position. Dr. Cost has been fortunate to speak to many pharmacists, student pharmacists, health care providers, and other important stakeholders, on a variety of topics such as pharmacy practice innovation, legislative and regulatory issues, and professional development, among others. Dr. Cost currently resides in Thompson’s Station, TN with his wife, Kyle, and their family of furry pets.

CROSS, Brian – Dr. Cross received his bachelor’s degree from West Virginia University College of Pharmacy in 1991 and his Doctor of Pharmacy degree from the University of Tennessee in 2000. He completed a residency in hospital pharmacy practice from the New England Medical Center in Boston in 1992 and an Advanced Practice Residency in Primary Care from the Regional Medical Center, Memphis in 2001. Dr. Cross was recognized by the National Certification Board of Diabetes Educators as a Certified Diabetes Educator (CDE). Currently, he is a pharmacotherapy specialist with the ETSU Family Physicians of Kingsport and serves as an associate professor in the departments of Pharmacy Practice & Family Medicine at ETSU. His varied clinical experiences include direct patient care in disease management clinics both in the Indian Health Service and the Department of Veterans Affairs, where he was the coordinator of cardiovascular risk reduction services. In addition, Dr. Cross was the director of pharmacotherapy services at the University of Tennessee St. Francis Family Practice Center, managing a referral-based medication assessment and management clinic for multiple chronic disease states. His major research interests include cardiovascular risk assessment and reduction, diabetes, hyperlipidemia, hypertension, anticoagulation, and medical educational development and assessment.

CROWE, Susie – Dr. Crowe is the Experiential Education Director and an Assistant Professor in the Department of Pharmacy Practice at the East Tennessee State University Bill Gatton College of Pharmacy. She joined the ETSU faculty in August 2016, where she coordinates APPE experiences and preceptor development programs. She first became acquainted with the East Tennessee region through attending Milligan College (BS, 1997). She later graduated with a PharmD from Purdue University in 2005. Dr. Crowe also completed a PGY-1 residency at University of Louisville Health Care (2006) and a PGY-2 residency in global health with the Purdue Kenya Partnership (2013). For the first six years of her career, she practiced as a critical care clinical pharmacist at University of Louisville Health Care, where she precepted APPE students and pharmacy residents. Dr. Crowe spent the next four years of her career working with the Purdue Kenya Partnership in Eldoret, Kenya, where she precepted internal medicine APPE students for Purdue University and also helped to develop and implement clinical pharmacy training programs for interns and post-graduates within Kenya. Her interests include training students to become competent practicing pharmacists through experiential learning, preceptor best practices, and developing clinical pharmacy services for rural and underserved patients.

DARBY, Sarah – Darby is a fourth-year student pharmacist at the University of Tennessee Health Science Center College of Pharmacy. She worked as a technician in various community settings before beginning pharmacy school and currently works at the University of Tennessee Medical Center in Knoxville. Darby spent last summer at the Mayo Clinic in Rochester, MN as a Summer Intern in sterile product preparation. She has served as Vice-President of Patient Care Committees for UT’s APhA-ASP chapter in Knoxville, Student Liaison for the American College of Clinical Pharmacy, Admissions Committee member, and Therapeutics tutor. At the 2016 ACCP Annual Meeting, she presented a poster on her research on stress ulcer prophylaxis compared to enteral nutrition in critically ill patients. Darby is a member of Rho Chi and was awarded the Excellence in Communication and Clinical Skills Award and Knoxville campus Professionalism Award at UT’s Class of 2018 Pinning Ceremony. She plans to pursue a post-graduate residency position, with current interests including internal medicine, ambulatory care, infectious disease, and academia. Darby is originally from Dandridge, TN, and received her bachelor’s in chemistry from Carson-Newman College in 2013.

DILLIARD, Reggie – Dr. Dilliard was named Executive Director of the Tennessee Board of Pharmacy in September 2013 after working as a community practice pharmacist for close to 40 years. He has served as president of TPA and has served on other boards, including being elected to a three-year term on the National Association of Boards of Pharmacy® (NABP®) Executive Committee (representing District 3) this May at the annual convention, and 12 years on the City of Bartlett Board of Aldermen. His awards include the National Community Pharmacists Association Pharmacy Leadership Award, Merck Award for Outstanding Achievement in the Profession of Pharmacy, Award of Merit from TPA, and the Outstanding Leadership Award from the University of Tennessee. He is married to Dr. Jennifer Dilliard, who is also a pharmacist, and is the proud father of four children, one who recently graduated from UTHSC College of Pharmacy and is completing a PGY-1 Pharmacy Residency at the Tennessee Department of Mental Health and Substance Abuse Services.
DURHAM, Mollie – Dr. Durham is a Manager of Professional and College Relations for CVS Health. In this role, she is responsible for building relationships and sourcing top clinical and management talent from 14 pharmacy schools in Tennessee, Georgia, and Kentucky. She is a 2009 graduate from Mercer University and has been an active member in TPA since 2013.

EOFF, James – Dr. Eoff retired in December 2014, after a 45-year career teaching at the University of Tennessee College of Pharmacy. Before retirement, he had served as the Executive Associate Dean, Dean of Student Affairs, and Professor of Clinical Pharmacy at the UT College of Pharmacy for 27 years. Dr. Eoff received both his bachelor and doctorate degrees in pharmacy from the University of Tennessee College of Pharmacy. He served on the faculty full-time from 1970 to 1978, at which time he purchased Balmoral Pharmacy in Memphis but continued to teach the OTC course, which he developed and implemented in 1970. Dr. Eoff rejoined the College in 1984 and served as interim dean of the College in 1989. He also held the position of Director of the College’s Minority Center of Excellence and has been principal investigator for three Minority Center of Excellence grants (in 1992, 2003 and 2010) totaling $6.5 million. Dr. Eoff was appointed to the Tennessee Board of Pharmacy in 1978, serving as President of the Board in 1982. He served as president of TSIP in 1989 and president of TPA in 1996. TPA honored him with the 1989 A. H. Robbins “Bowl of Hygeia” Award for outstanding community service and the Barbara McAndrew Herald Award in 2015. Dr. Eoff served as president of the UT College of Pharmacy Alumni Association on two occasions, and in 1987, he was the recipient of the Outstanding Alumni Award of the College of Pharmacy. He has also served on the Shelby County UT Alumni Association Board and on the UT National Alumni Board of Governors. Dr. Eoff was awarded the UT National Alumni Association’s Outstanding Teacher Award on four separate occasions and received the UTNAA Distinguished Community Service Award in 1990. He has also received numerous student teaching awards during his career and was co-editor of the APhA’s Complete Pharmacy Review book, for the first 10 editions. Dr. Eoff and his wife Ann have three sons, two daughters, and seven grandchildren. He served as chairman of the Briarcrest Christian School Board of Trustees and on the administrative board of Christ United Methodist Church, where he has taught the Lamplighters Sunday School class for more 40 years.

EVANS, Christopher – Dr. Evans is a pharmacist with the Healthcare Associated Infections and Antimicrobial Resistance Program with the Communicable and Environmental Diseases and Emergency Preparedness Division at the Tennessee Department of Health. He received his Doctor of Pharmacy degree from the Campbell University School of Pharmacy in Buies Creek, NC, and completed a general pharmacy practice residency at Vidant Health (formerly Pitt County Memorial Hospital) in Greenville, NC. Dr. Evans also completed an infectious diseases pharmacy residency at the University of Rochester Medical Center in Rochester, NY, where he later served as the Antimicrobial Stewardship Pharmacist for ten years. His research interests include the clinical impact of antimicrobial stewardship programs, antibiotic use and resistance tracking, and the management of invasive fungal infections. Dr. Evans is Board Certified in Pharmacotherapy and maintains active memberships in the American College of Clinical Pharmacy (ACCP), the Society of Infectious Diseases Pharmacists (SIDP), and is a new member of the Tennessee Pharmacists Association.

FITZGERALD, Walter – Dr. Fitzgerald has over three decades of educating pharmacy’s and other health professions’ students and practitioners in Tennessee. With extensive experience in healthcare issues that focuses on social and administrative sciences, risk management, and healthcare law and ethics, Dr. Fitzgerald has offered practitioners the guidance and tools needed for successful practice and optimal patient care. He has held teaching appointments at four colleges of pharmacy and served in a variety of administrative and consultant roles to the pharmaceutical industry and healthcare organizations. Dr. Fitzgerald’s research is in the area of healthcare law and ethics and delivery of healthcare services. He is often invited to present seminars on healthcare law, ethics, and risk management. Dr. Fitzgerald has received many prestigious awards, such as the University of Tennessee National Alumni Association Public Service Award and the Tom C. Sharp, Sr. Pharmacist of the Year Award by the Tennessee Pharmacists Association.

FORBES, Steve – Coach Forbes became the 16th head coach in ETSU’s 95-year history on March 30, 2015. Forbes and his staff wasted little time reinvigorating the ETSU program during his first two seasons with the Buccaneers, combining an energetic style of play, an engaging approach with the fan base, and plenty of success on the court. In all, the Bucs finished the 2015-16 season with 24 wins – which marks the program’s third highest win total in the modern era. During the 2016-2017 season, the Bucs powered ahead and continued with even more success as they finished the season with a record of 27-8, a SoCon Championship, and a visit to the NCAA Tournament. Prior to ETSU, Forbes served two seasons as an assistant coach at Wichita State. He came to Wichita State from Northwest Florida State, where he coached the Raiders to a 61-6 record during his two-year tenure in Niceville, FL. Forbes’ Division I experience includes five years at Tennessee, two seasons at Texas A&M, one year at Illinois State, three years at Louisiana Tech, and one year at Idaho. A native of Lone Tree, IA, Forbes graduated from Southern Arkansas University with a degree in secondary education in 1988. A former baseball student-athlete for the Muleriders, Forbes spent one year at his alma mater as the sports information director before embarking on a coaching career. Forbes and his wife Johnetta have three children, Elizabeth (25), Christopher (19) and Johnathon (11).
FOSTER, Stephan – Dr. Foster retired as a Captain from the US Public Health Service in 1998. Dr. Foster, a strong advocate for the pharmacist’s role in public health, has served as the APhA liaison representative on the CDC’s Advisory Committee on Immunization Practices (ACIP) since 2001. He is a national faculty and writer with APhA’s Pharmacy-based Immunization Certificate Training Program and has been a featured speaker and author in many immunization education programs. Dr. Foster has personally trained thousands of pharmacists as immunizers and, through his work with student pharmacists, has facilitated the vaccination of more than 10,000 Tennesseans. His collaboration within and outside of pharmacy has led to his 2006 appointment by the governor of Tennessee to chair a committee on cervical cancer prevention. The state also has used his knowledge and skills in the development and implementation of its pandemic preparedness plan. Dr. Foster retired as a professor from the University of Tennessee College of Pharmacy in 2016, however, he continues his consulting work in the area of vaccines.

GEMINN, Wesley – Dr. Geminn is the Chief Pharmacist and State Opioid Treatment Authority for the Tennessee Department of Mental Health and Substance Abuse Services’ Division of Clinical Leadership. He graduated from the University of Tennessee College of Pharmacy and completed a post-graduate residency in managed care and psychiatry with the Tennessee Department of Mental Health and Substance Abuse Services. Dr. Geminn is currently board-certified in pharmacy by the Board of Pharmaceutical Specialties. He is currently serving as Tennessee’s State Opioid Treatment Authority, which is responsible for providing regulatory oversight, education, and clinical and technical assistance to Tennessee’s opioid treatment programs. Dr. Geminn provides several lectures to the public and schools of pharmacy in the areas of mental health and addiction. He is a preceptor for third- and fourth-year pharmacy students on their health policy rotation and is also the acting Residency Program Director for the department’s PGY-1 Managed Care/Psychiatry Residency Program.

GOODSON, Jessica – Goodson is a second-year student pharmacist from the University of Tennessee Health Science Center College of Pharmacy. Originally from Knoxville, TN, she completed her undergraduate studies at Milligan College, where she majored in Allied Health. In addition to being the vice chair for the CPR committee at the Knoxville campus, Goodson is also the Knoxville International Pharmaceutical Students Federation committee chair and the vice chair for the Race for the Summit committee.

GOZA, Kellie – Goza of Alcoa, TN has 15 years of healthcare experience as a Certified Pharmacy Technician in both community and hospital settings. She received her Bachelor of Science degree in biology from the University of Memphis and worked at South College School of Pharmacy as the Director of Introductory Pharmacy Practice Experiences for 5 years. While at South College, she served as co-advisor to the American Pharmacists Association Academy of Student Pharmacists (APhA-ASP) and was inducted into the Delta Psi Chapter of the Pharmacy Leadership Society, Phi Lambda Sigma (PLS). Goza has also worked at UT Medical Center in Knoxville and the Regional Medical Center at Memphis.

GROSS, Ben – Dr. Gross is Director of Residency Programs and Associate Professor, Department of Pharmacy Practice, Lipscomb University College of Pharmacy and Health Sciences. He graduated with a Doctor of Pharmacy degree from the University of Tennessee Health Science Center in 2006. Upon graduation, he completed a specialty residency in ambulatory care with the University of Tennessee College of Pharmacy and Holston Medical Group in Kingsport, TN. Dr. Gross was assistant professor at the University of Tennessee College of Pharmacy before taking on his current position at Lipscomb University College of Pharmacy and Health Sciences. He has been active in the field of primary care for 11 years. His teaching, research, and patient care activities focus on chronic disease management with emphasis in diabetes and cardiovascular risk reduction. His areas of research include diabetes, dyslipidemia, and transitions of care. Dr. Gross was a sub-investigator on the ACCORD study. He has served as director of clinical pharmacy services for a large private practice group, which involved the implementation of clinical pharmacy services in a Level 3 accredited PCMH. Dr. Gross currently serves as director of a PGY-2 Ambulatory Care and PGY-1 Community Pharmacy Practice residency.

HAGEMEIER, Nicholas – Dr. Hagemeier is an Associate Professor at the East Tennessee State University Bill Gatton College of Pharmacy. He earned his Doctor of Pharmacy degree and MS and PhD degrees in Pharmacy Practice from Purdue University. Dr. Hagemeier is a licensed pharmacist with 9 years of experience in chain and independent community pharmacy settings. He is Co-Investigator of the $2.2 million NIH-funded Diversity-promoting Institutions Drug Abuse Research Program at ETSU and is PI on one of the core projects focused on prescription drug abuse interprofessional communication. Dr. Hagemeier is Research Director of ETSU’s Center for Prescription Drug Abuse and Treatment. He also serves as director of the College of Pharmacy’s Community Pharmacy Practice Research Fellowship. His research interests include survey research, practice-based research and development of interventions that facilitate prescription drug abuse prevention. Dr. Hagemeier has published 30 peer-reviewed manuscripts and 4 book chapters/sections. He coordinates the Pharmacy Law and Ethics, Personal Finance, and Pharmacy Practice Research/Scholarship courses in the College of Pharmacy. Dr. Hagemeier has been awarded both the Outstanding Teacher of the Year Award and Research Award for the College.
HEDGES, Will – Hedges is a fourth-year student pharmacist from Lipscomb University College of Pharmacy and Health Sciences. Although not a Nashville native, he is proud to call Nashville home for 13 years and counting, where he graduated from Lipscomb University magna cum laude in Biochemistry before deciding to pursue a career in pharmacy. While Hedges did not originally intend to stay in Nashville for both undergraduate and professional studies, he has since fallen in love with the city and its seemingly endless supply of hot chicken and barbecue. Hedges is both an Eagle Scout as well as a three-year member of the Vanderbilt Program in Interprofessional Learning (VPIL)—a program that places medical, nurse practitioner, pharmacy, and social work students in clinics once a week in place of typical IPPE hours. VPIL is focused on interprofessional cooperation in patient-centered care. When he isn’t studying for block exams, you’ll find him practicing song covers with his all-pharmacy garage band Substance P, collecting vinyl records, and spending time with his wife Jordan and their cat Ollie.

HOBBS, Athena – Dr. Hobbs is currently the infectious diseases and antimicrobial stewardship clinical pharmacy specialist at Baptist Memorial Hospital-Memphis. She graduated from the University of Texas at Austin, completed her PGY-1 residency at the University of Chicago Medicine and completed her PGY-2 residency in infectious diseases and antimicrobial stewardship at Seton Healthcare Family in conjunction with the University of Texas at Austin. Her particular areas of interest and publication are in antimicrobial stewardship. Dr. Hobbs has been in her current position since 2015, where she serves as the co-chair for the antimicrobial stewardship subcommittee. Since she started, the subcommittee implemented an extended infuson beta-lactam protocol, microbiology reflex and suppression, a pharmacist-driven beta-lactam allergy assessment program, an obesity dosing guideline, and a Clostridium difficile clinical treatment guideline, among other things. These interventions, along with strong administrative support and hospital-wide pharmacist engagement, helped the antimicrobial stewardship subcommittee save over $3 million in its first year. Dr. Hobbs also provides education through system-wide grand rounds, presentations at various service line meetings, pharmacy continuing education presentations, and precepting students and PGY-1 pharmacy residents. She currently lives in Memphis, where she enjoys riding bikes and singing with a local semi-professional choir in her spare time.

KRUSHINSKI, Joe – Dr. Krushinski received his Doctorate of Pharmacy from Purdue University. He also completed a PGY-1/PGY-2 Health System Pharmacy Administration Residency program at Duke University Hospital and earned a Master of Science in Health System Pharmacy Administration at the University of North Carolina. Dr. Krushinski is a board-certified pharmacy specialist in pharmacotherapy. Following his training, he accepted a position as a clinical pharmacy supervisor at Vidant Medical Center in Greenville, NC. Dr. Krushinski developed an interest in pharmacy operations and currently works at Methodist University Hospital as the Assistant Director of Pharmacy in Memphis, TN. In this role, he has oversight of pharmacy operations, including controlled substances, purchasing, and automations.

McFARLAND, Shawn – Dr. McFarland is a native of Monteagle, TN. He attended Middle Tennessee State University and graduated with a Bachelor in Science in 1996. He attended the University of Tennessee College of Pharmacy, where he graduated with a Doctorate in Pharmacy in 2000. He then completed an ambulatory care/community pharmacy residency with the University of Tennessee in 2001. Dr. McFarland created the anticoagulation clinic and diabetes care clinic at the Murfreesboro Medical Clinic and practiced at the clinic from 2001-2008. In August 2004, the Anticoagulation and Diabetes Care Clinic was awarded the most innovative pharmacy practice site in the state of Tennessee. Dr. McFarland is the Associate Chief of Pharmacy for Clinical and Educational programs and a Clinical Pharmacy Specialist in primary care at the Tennessee Valley Healthcare System. He is the PGY-1 and PGY-2 Ambulatory Care Residency Program Director. Dr. McFarland is also a member of the VA national Clinical Pharmacy Advisory Board, responsible for helping guide the direction of clinical pharmacy in the VA. He is an Associate Professor with the University of Tennessee College of Pharmacy and has precepted hundreds of students since graduation. Dr. McFarland’s interests include teaching and translational research with pharmacist involvement in the Patient Centered Medical Home. He has over 30 professional publications and has served as a reviewer for multiple journals. He is a fellow of the American College of Clinical Pharmacy and is an active member on many committees.

MOORE, Rebecca – Moore is a fourth-year student pharmacist at Belmont University College of Pharmacy (BUCOP) in Nashville, TN. She completed her undergraduate prerequisites at Belmont University. During her time at BUCOP, Moore has served as President of the APhA-ASP Chapter and was elected Brother of the Year in 2016 by her Kappa Psi Brothers. She has also received Dean’s List honors. While in pharmacy school, she served as a pharmacy intern at Walgreens and currently serves at Williamson Medical Center in Franklin, TN.
NELSON, Brooklyn – Dr. Nelson is from Terre Haute, IN and completed her pharmacy education at Purdue University College of Pharmacy. Upon graduation, she completed a PGY-1 focused in Ambulatory Care at Campbell University College of Pharmacy/Wilson Community Health Center in North Carolina, followed by a PGY-2 Ambulatory Care Residency at East Tennessee State University Bill Gatton College of Pharmacy. She now serves as a Clinical Assistant Professor in the Bill Gatton College of Pharmacy’s Department of Pharmacy Practice at ETSU. Dr. Nelson also holds a Clinical Pharmacist position with Mountain States Medical Group Family Medicine in both Johnson City and Elizabethton, TN, where she has a collaborative practice agreement with six physicians and two nurse practitioners. Her areas of interest include transitions of care, high-risk medications, and chronic disease state management. She is also a member of ASHP and ACCP.

NOLA, Kam – Dr. Nola is a graduate of the UT College of Pharmacy with her PharmD and the UT College of Graduate Health Sciences with her Master’s of Science degree. She completed a community pharmacy residency at Bartlett Prescription Shop. She has been a clinical assistant professor at Mercer University Southern School of Pharmacy. Dr. Nola worked in the biotech industry for Immunex Corporation and Amgen, working in the area of Medical Affairs and Health Outcomes and Pharmacoeconomics. She has been both a volunteer with TPA as a past President and a staff member as former Associate Executive Director. Dr. Nola is currently Professor and Vice-Chair, Department of Pharmacy Practice at Lipscomb University College of Pharmacy and Health Sciences.

PEREZ, Emily – Perez is now a second-year student pharmacist attending East Tennessee State University Bill Gatton College of Pharmacy. She is currently the Chair of the APhA-ASP Generation Rx Committee at her school. With this committee, BGCOP has worked together in the community to raise awareness about prescription drug abuse. In her first year, Perez has been able to travel across Tennessee and Virginia with the committee to help train healthcare professionals, students, and community members on the use of naloxone to save lives in overdose situations.

PROVENCE, Kara – Provence is heading into her third year at the University of Tennessee Health Science Center College of Pharmacy. Originally from Millington, TN, she completed her undergraduate studies at Auburn University. She is involved in many organizations throughout the school, including APhA-ASP, TPA-TSSP, and the CPR Committee. Her favorite part of these organizations is being able to serve many different populations – all while giving back to the community in unique ways. Provence sees herself practicing as a pharmacist at a teaching hospital focusing on pediatrics or emergency medicine.

PUGH, Ashley – Dr. Pugh currently serves as an Assistant Professor of Pharmacy Practice at Union University College of Pharmacy in Jackson, TN and practices as a clinical pharmacist with Kroger Pharmacy. She earned her Doctor of Pharmacy degree from Union University in 2014 and completed a community pharmacy residency with Union University and Kroger Pharmacy. Dr. Pugh is an active member of the American Pharmacists Association, Tennessee Pharmacists Association, and West Tennessee Pharmacists Association.

RENFRO, Zachary – Dr. Renfro currently serves as a Pharmacy Quality Consultant for Pharmacy Quality Solutions (PQS), the makers of the EQuIPP dashboard, an electronic quality improvement platform for health plans and pharmacies. His responsibilities include training, educating, and providing insights into medication management and performance metrics for pharmacies and pharmacy organizations to engage in quality-based patient care. As part of his role at PQS, Dr. Renfro serves on the stakeholder advisory panel for the Pharmacy Quality Alliance. In addition, he serves on the measure development team for PQA, focusing on inappropriate duplicate therapy. He also works with the American Pharmacists Association in a group focused on quality measure-based payment and how best to assist pharmacists in partnering with other providers to improve the overall quality of care. Dr. Renfro attended the University of Tennessee-Knoxville for his undergraduate studies and Belmont University College of Pharmacy for his PharmD. He then completed the Executive Residency in Association Management/Health Policy with the Tennessee Pharmacists Association. Following his residency, he joined GlaxoSmithKline as a Community Pharmacy Account Specialist, supporting community pharmacists regarding how best to educate their patients on respiratory products to improve patient adherence and health outcomes. He joined PQS in February 2015.
ROCHON, Jeff – Dr. Rochon received his Doctor of Pharmacy degree from the University of Washington. Since entering the pharmacy profession, Dr. Rochon has devoted his career to finding innovative ways to enhance the practice of pharmacy in his own work and for the profession. Over his career, he has worked in hospital, clinic and community pharmacy settings. After developing a community residency program, Dr. Rochon was hired as a pharmacist and pharmaceutical care director at Kelley-Ross Pharmacy in Seattle. In 2000, he started an anticoagulation clinic at the Polyclinic. He later joined the Washington State Pharmacy Association (WSPA) as the director of professional development. In 2008, Dr. Rochon was hired as the Chief Executive Officer of the WSPA. Advocating for patient access to care provided by pharmacists is one of his top priorities. To achieve this end, he has worked with lawmakers, other healthcare provider organizations, patient advocacy groups, and insurers in Washington State. Dr. Rochon has been involved in the efforts to pass state legislation, including SB 5557, which allowed pharmacists to enroll in health plan preferred provider networks and bill for services covered within the medical benefit. This law, passed in 2015, is leading to improved patient access to the expertise of pharmacists in hospitals, clinics, community pharmacies and nursing homes. Over the past few years, he and his colleagues have worked closely with health plans to facilitate the successful implementation of SB 5557, including integrated provider network enrollment processes, and mechanisms for appropriate coding and billing medical claims with necessary documentation and compliance.

ROWE, A. Shaun – Dr. Rowe is an Associate Professor of Clinical Pharmacy at the University of Tennessee College of Pharmacy, Knoxville Campus. His practice is in the area of Neurocritical Care at the University of Tennessee Medical Center. Dr. Rowe has practiced in Trauma or Neurocritical Care since 2004. He received a Doctorate of Pharmacy Degree from Campbell University School of Pharmacy in 2003 and completed an ASHP-accredited Pharmacy Practice Residency at the University of Tennessee Medical Center from 2003-2004. In 2005, he received Board Certification from the Board of Pharmaceutical Specialties as a Pharmacotherapy Specialist, and in 2016, he received Board Certification in Critical Care Pharmacy. In 2016, the Neurocritical Care Society awarded Dr. Rowe the Fellow of Neurocritical Care designation. He is active in several professional organizations, including the American Society of Health-System Pharmacists, Society of Critical Care Medicine, American College of Clinical Pharmacy, Neurocritical Care Society, Tennessee Pharmacists Association, and Tennessee Society of Health-System Pharmacists. Notably, he is a former President for the Tennessee Society of Health-System Pharmacists and has served as chair or co-chair of several committees at the national, state, and local level. Dr. Rowe has given multiple national presentations, and he has authored several peer-reviewed publications and book chapters pertaining to the care of critically ill patients with acute neurological conditions. Dr. Rowe’s research interests include hematologic dysfunction secondary to neurologic injury, neurologic trauma, ischemic stroke, and interprofessional education.

SIMPSON, Catherine – Dr. Simpson is a pharmacist with CVS Health. She received her Doctor of Pharmacy degree from the University of Florida and holds an MA in Anthropology from the University of Georgia. Dr. Simpson is an Adjunct Professor of Sociology at Roane State Community College, Cumberland County campus. She is a committee member of TNCEP and a board member for the Imagination Library in Crossville, TN. Dr. Simpson serves on the TPA Ambulatory Care and Continuing Education committees and the Cumberland County Rising Anti-Drug Abuse Coalition.

STEWART, David – Dr. Stewart is an Associate Professor and Vice-Chair of the Department of Pharmacy Practice at the East Tennessee State University Bill Gatton College of Pharmacy. He received his Doctor of Pharmacy Degree from Campbell University School of Pharmacy and completed a Pharmacy Practice Residency at Wake Forest University Baptist Medical Center. In addition to directing a PGY-2 Internal Medicine Pharmacy Residency, Dr. Stewart maintains a clinical pharmacy practice in inpatient medicine at the Johnson City Medical Center. He is a member of the AACP, ACCP, and ASHP. His areas of clinical interest include cardiovascular diseases, specifically the use of anticoagulant medications. Dr. Stewart has held various positions related to experiential education, including Chair of the Experiential Education Committee and Interim Director of the Office of Experiential Education at the Gatton College of Pharmacy.

SUN, Jeanne – Dr. Sun is a scientific liaison at United States Pharmacopeial Convention in Rockville, MD. In her position, she is responsible for coordinating the volunteer efforts of the Compounding Expert Committee in the development and revision of standards for nonsterile, sterile, and veterinary compounding as well as for handling hazardous drugs. She also works with analytical laboratories in the development and validation of stability-indicating methods to establish beyond-use dates for extemporaneous preparations that get published in the USP-NF. Dr. Sun assists in the outreach efforts to inform stakeholders of new standards development related to compounding. Prior to joining USP, Dr. Sun held various positions, including research associate for Advancis Pharmaceuticals, biological aide for the United States Department of Agriculture, and summer intern in Quality of Compounded Medicines at USP. She has over 10 years of experience in a community pharmacy and has received certification for immunization delivery. Dr. Sun earned a Bachelor of Science in Biochemistry from the University of Maryland - College Park and a PharmD from the University of Maryland Baltimore School of Pharmacy. She is currently a part-time evening student in the J.D. program at Georgetown University Law Center.
THOMPSON, Emily – Thompson earned a B.S. in chemistry from Lincoln Memorial University and is currently a student pharmacist in her final year at South College School of Pharmacy. She is active in many on campus organizations, including APhA-ASP and TSSP. As a member of these organizations Thompson has participated in several patient care and community outreach activities, including vaccination clinics, patient education events, and community volunteer work.

WEAVER, Krystalyn – Dr. Weaver is the Vice President of Policy and Operations for the National Alliance of State Pharmacy Associations (NASPA). In this role, she works with the state pharmacy associations and NASPA’s national partners to track, trend, and communicate health care policy information and best practices. The focus of much of her work is on researching state laws and regulations that determine pharmacists’ scope of practice and identifying innovative ways payers are aligning incentives to encourage an increase in the provision of pharmacists’ patient care services. Prior to assuming this position, Dr. Weaver served as the American Pharmacists Association Foundation’s Executive Resident. She earned her Bachelor’s and Doctorate of Pharmacy degrees from The University of Toledo in Toledo, OH.

WHITE, Laura – White is a National Retail Account Executive with Humana Pharmacy Solutions, where she has worked for 11 years. She has extensive healthcare experience in a variety of professional settings, including retail pharmacy management, long-term care pharmacy management, home infusion pharmacy management and managed care retail pharmacy network contracting and account management. White looks to provide meaningful contributions through development of key partnerships with strategic pharmacy providers and other industry groups that result in growth opportunities and achievement of key strategic goals for both Medicare and commercial business segments. She graduated from Samford University School of Pharmacy.

WISE, Aaron – Dr. Wise is a Clinical Pharmacy Manager for Personalization for all markets at Cigna-HealthSpring. In this position, he manages the clinical pharmacy services in interdisciplinary health teams, and works as a part of those teams to identify and formulate specific plans to overcome barriers to patient care in the advanced, high risk populations. Dr. Wise also established and maintains a pharmacy dashboard in order to track the recommendations which will allow his team to report outcomes. He has previously held positions as a Clinical Pharmacist in Account Management for several southeastern states, as well as specifically for the Tennessee market. Dr. Wise had previously worked in community pharmacy for four years before coming to Cigna-HealthSpring. He received his Doctor of Pharmacy degree from the University of Tennessee College Pharmacy and an undergraduate degree from the University of Tennessee.

RESOURCES TO SUPPORT INDEPENDENT PHARMACY
2018 TPA VOLUNTEER & LEADERSHIP OPPORTUNITIES

TPA offers volunteer and leadership opportunities for pharmacist and technician members, to help build relationships, advance practice, advocate for the profession, and optimize patient care right here in Tennessee! In fall 2017, members will be invited via email to submit applications on the TPA website, to serve in these positions for 2018-2019:

• Society Delegate or Alternate in the 2018 TPA House of Delegates, and/or
• Society Leader - President/Chair-elect or Secretary/Treasurer-elect, and/or
• Committee Member in TPA and/or the Tennessee Society of Health-System Pharmacists (TSHP).

TPA’s Recommended Resource for Tennessee and Federal Laws Affecting Pharmacy —Now an eBook!

Order your 1,026-page Tennessee Handbook on Pharmacy and Drug Law (2017 ed.) and download it directly to your computer or mobile device!

Members pay only $35!

bit.ly/tpa-store
Help TPA Achieve Pharmacists’ Goals!

T-PLAN
TENNESSEE PHARMACISTS LEGISLATIVE ACTION NETWORK

Sign Up as a T-PLAN Key Contact:
Provide your information online. TPA may call on you – often on short notice – to call legislators, deliver PharmPAC checks to them, contact your colleagues about pending legislation, write letters to media or individuals, or advocate in other ways.

Scan the QR Code to sign up as a T-PLAN Key Contact!

Take Action Now, with the Tennessee Pharmacists Legislative Action Network (T-PLAN): Email your legislator(s) and ask them to support TPA’s active initiatives. TPA’s new automated system makes it easier than ever. T-PLAN automates the process of identifying your legislator(s) and emailing them to ask for their support. Use messages included by TPA, or modify them to suit your practice. Advocating for pharmacy has never been easier. Scan the QR Code to take action!
PharmPAC supports legislators who understand pharmacists. By contributing to PharmPAC, you ensure that the voice of the pharmacist is loud and clear on The Hill in Nashville. Contribute to PharmPAC today!"

- Lacey Sexton, PharmD, Chair, PharmPAC

Tennessee PharmPAC has a primary purpose of providing financial assistance to those candidates for public office who are supportive of the profession of pharmacy and recognize the value of quality pharmacist-provided care and services. PharmPAC enables collective support using the power of advocacy through a unified voice, providing the means for more substantial contributions than can be made by individuals, and most importantly, recognition of Tennessee pharmacists as strong patient advocates with our legislators.
WHERE WILL YOUR “TOMORROW” TAKE YOU?

PREPARE FOR YOUR “TOMORROW”
Achieve Your Leadership Goals

If you are a student pharmacist, a pharmacy technician, a new practitioner pharmacist, or a pharmacist seeking more opportunities for leadership and engagement, you are invited to join your fellow professional colleagues and peers for this one-day seminar uniquely designed and custom-tailored to your needs as a pharmacy professional.

HOW DEEP IS YOUR BENCH?
Invest in Developing “Tomorrow’s” Leaders Today

If you are a pharmacist who is already in a leadership position, would you like to help one or more pharmacists, student pharmacists, or pharmacy technicians gain invaluable leadership skills? If so, please consider making a tax-deductible donation to sponsor their participation in the Emerging Leaders Program!

Registration now open! www.tnpharm.org/emerging-leaders-program/

TPA’s 2017 Geriatric and Long-Term Care Conference will provide pharmacists with up-to-date information and resources regarding care and therapy for these special populations. This is your opportunity to expand your knowledge, upgrade your skills, connect with colleagues, and earn continuing education credit.

Pharmacists who attend both days can earn up to 15 hours of CE in a wide variety of relevant topics selected by the Tennessee Pharmacists Association and the Tennessee Society of Long-Term Care Pharmacists. The learning experience is enhanced by opportunities to network with other pharmacists who share the same challenges and experiences. In addition, exhibitors will provide information about products and services of particular interest to pharmacists who work with geriatric patients or in long-term care settings.

Make plans this fall to attend the state-wide residency showcase offered through the Tennessee Society of Health-System Pharmacists (TSHP)!

October 20, 2017 | Murfreesboro

TPA and TSHP are excited to announce that TSHP will, for its third year, host the Tennessee Residency Showcase.

For Student Pharmacists: Student pharmacists graduating in 2018 from any school or college of pharmacy are invited and encouraged to attend this Showcase.

For Residency Programs: All representatives of residency programs in Tennessee and surrounding states are welcome to participate in the Showcase. Preceptor development training will also be offered at this event, providing attendee preceptors with valuable information and resources to improve the quality and effectiveness of residency programs and customize resident experiences.
